

***Remarks***

By the foregoing amendments, claims 42, 50, 52, 57 and 74 are sought to be amended. Support for the amendments to claims 50 and 57 can be found throughout the specification, for example at pages 8-10, at pages 16-17, throughout the Examples, and in claims 34 and 41 as originally filed. Claims 52 and 74 are amended solely to revise their dependency, and claim 42 is amended solely to delete text. Hence, these amendments to the claims add no new matter, and their entry and consideration are respectfully requested. Upon entry of the foregoing amendments, claims 42-76 are pending in the application, with claims 42 and 50 being the independent claims.

***Conclusion***

Prompt and favorable consideration of the foregoing amendments and remarks, and reconsideration and withdrawal of the restriction requirement, are respectfully requested. Applicants believe the present application is in condition for allowance. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

Respectfully submitted,
